Dear Commissions Secretary,

We are a small non-denominational ministry desiring to go on the "SkyAngel" television network. They have asked us to put our broadcast into closed captioning or to obtain an FCC exemption.

At this time we are just getting started in television and operate on a very close budget, as well as only having about 60 members at our church. We do not have the means to put closed captioning on our broadcast. Being new at all of this we are not familiar with all of the stipulations involved. I hope that I understood correctly from the website that I was simply to send this letter requesting exemption.

Could you please grant us exemption or if there is something else we are supposed to do could you notify us of that next step.

I don't know if it is needed or not but I have enclosed a copy of our Incorporation Certificate for the State of Missouri as well as our 501(c)(3)

Thank you so much for your time and help in this matter.

Sincerely,

  
D.J. Edwards

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Information for Exempt Organizations Under Section 501(c)(3) for some helpful information about your responsibilities as an exempt organization.

If you distribute funds to other organizations, your records must show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence the funds will be used for section 501(c)(3) purposes.
